

Minutes
Administrative Council – College of Education and Behavioral Sciences
Tuesday, July 22, 2008 – 9:30 a.m.
Dean's Conference Room, Tate Page Hall

Present: Evans, Carter, Daniel, Haggbloom, Hughey, Norman, Powers

Discussion:

--Dr. Evans talked about a list of Rank I individuals who had been receiving financial aid, but new rules make them ineligible if they are in the Rank I program only. Department heads are to identify those in their programs, contact them, and advise them about their eligibility. Where possible, we need to include a certification area in these programs. Dr. Evans needs the information by July 23.

--Doctoral program is up and running.

--Lynn Hines is working on the redesign on the masters in order to begin the curriculum process.

--Fred Carter and others will go to Franklin-Simpson on July 23 to discuss a partnership opportunity.

--Daviness County meeting will be arranged with Tom Shelton to discuss potential partnership.

--Kaleidoscope is doing very well in the community. The grant runs through the end of September. \$28,000 + has been received from the city for this program. Dr. Evans wants everyone to be thinking of a faculty member who could serve in the PI position for continuing Kaleidoscope.

--Homeland Security grant opportunity was shared.

--Michelle Kahler is working on the next newsletter and will be contacting everyone.

--Salary Compression

The meeting adjourned at 10:50.

Susan Krisher, Secretary
