Other Business

- Elect members to serve on the Alternate Admission Sub-committee for 2014/15

Volunteers were: Nancy Hulan, Margaret Gichuru, Gail Kirby, Steve Winger, Libby Jones, Michael Putnam

- CEBS Academic Complaint Committee –discussion of possible policy change

Janet handed out the current policy for members to look over. She asked for suggestions of a better way to select members.

It was suggested to remove the first bullet that says, “When there is a student complaint that requires a hearing at the college level, the Associate Dean for Academic Programs will select four names (two students and two faculty members) at random from a list of the members of the CEBS Complaint Committee and ask those persons to hear the complaint.”

The membership section will be edited. The Associate Dean will choose members to serve as needed instead of having a set committee. Janet will work on these revisions and bring this back to the September CEBS Curriculum Committee for approval.

There being no further business, the meeting adjourned at 2:40.
