- 1. Identification of current course prefix:** DMT
- 2. Identification of proposed course prefix:** IDFM
- 2. Rationale for the prefix revision:** DMT 100 Introduction to Interior Design was left off of the list of course numbers that were revised to the IDFM (Interior Design and Fashion Merchandising) prefix in the Spring of 2011.
- 4. Course numbers to be included under the new course prefix:** 100
- 5. Term of implementation:** Spring 2014
- 6. Dates of notification to committees:**

Proposal to Revise Course Prerequisites  
(Consent Item)**

Contact Person: Kathy Croxall, [kathy.croxall@wku.edu](mailto:kathy.croxall@wku.edu), 745-3997

- 1. Identification of course:**
  - 1.1 Course prefix (subject area) and number: FACS 381
  - 1.2 Course title: Methods and Materials in Family & Consumer Sciences
- 2. Current prerequisites:** a. Junior standing in Family and Consumer Sciences Education or Dietetics; and b. FACS 380 Communication Techniques in Family and Consumer Sciences; and c. EDU 250 for FCS Ed majors, or consent of instructor.
- 3. Proposed prerequisites:** a. Junior standing in Family and Consumer Sciences Education; and b. FACS 380 Communication Techniques in Family and Consumer Sciences; and c. **MGE 275 Foundations of Middle Grades Instruction** for FCS Ed majors, or consent of instructor.
- 4. Rationale for the revision of prerequisites:** The FCS Education program has recently been changed and EDU 250, Introduction to Teacher Education is no longer required for the program. MGE 275, Foundations of Middle Grades Instruction is now the introductory education class for this major. Dietetics majors are no longer required to take this course, so that wording has been dropped.
- 5. Effect on completion of major/minor sequence:** This will have no effect on completion of the degree.
- 6. Proposed term for implementation:** Spring 2014
- 7. Dates of prior committee approvals:**

Contact Person: Kathy Croxall, [kathy.croxall@wku.edu](mailto:kathy.croxall@wku.edu), 745-3997

- 1. Identification of course:**
  - 1.1 Course prefix (subject area) and number: FACS 481
  - 1.2 Course title: Advanced Methods in Family and Consumer Sciences Education
- 2. Current prerequisites:** none
- 3. Proposed prerequisites:** a. Senior standing; and b. FACS 381 or consent of instructor.
- 4. Rationale for the revision of prerequisites:** This course builds on the content of FACS 381, Methods and Materials in Family & Consumer Sciences, and assumes the students are family and consumer sciences education majors and have completed the majority of the FACS content, making it difficult for students without that preparation to be successful in the course.
- 5. Effect on completion of major/minor sequence:** This will have no effect on completion of the degree.
