October 12, 2020 Meeting Information Item B

“1. Permit applicants to demonstrate core academic knowledge/competencies through individual ACT scores (Reading – 20, Writing – 18, and Math – 22) or CASE scores (Reading – 156, Writing 162, and Math 150). Students who miss the benchmark scores with the ACT will be encouraged to take the CASE and individual educator preparation providers may opt to require it.

2. Provide a holistic option for applicants who struggle with ACT or CASE assessments. This option would permit educator preparation providers to take grade point average into account when applicant test scores miss the benchmark by 1-5 points.

3. The standardize test require for MAT candidates should be dropped. Since these applicants have earned a bachelor’s degree and meet other minim requirements outline by the EPSB and educator preparation providers, KACTE believes the GRE/CASE requirements should be removed.”
