Superintendent Endorsement
Proposed Program Change

Course	Description
EDAD 598 – Field Experience (co-requisite course)	Clinical experiences with practitioners in the field to acquaint the prospective administrator/supervisor with the realities of educational organizations.
EDAD 639- Superintendency	Function, role, and responsibilities of the school superintendent. Topics include politics and education; superintendent's relationships with the school board, central office staff, and with the state department of education; the budget process; strategic planning; and curriculum leadership. Note: Two years of school administrative experience required.
EDAD 649- School System Admin.	School system operations including finances, auxiliary services, human resources, federal and state programs, facilities, and curriculum and instruction.
EDAD 659- Strategic Planning (proposed elimination as program requirement)	Examination of planning processes used by leaders to direct educational change and improvement. Includes strategic planning approaches designed to address macro and micro-organizational goals.
EDAD 707- Politics and Policy (proposed addition as program requirement)	Designed to equip students with analytical skills for confronting leadership issues that require the application or creation of policy in diverse settings. Examines the exercise of political power in education and the impact of politics on managing and leading educational institutions. Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
