Dear Dr. Caboni:

The Board of Directors of the Council for Accreditation of Counseling and Related Educational Programs (CACREP) met January 13-14, 2022, for the purpose of making accreditation decisions. Two counseling specialty areas housed in the College of Education and Behavioral Sciences at Western Kentucky University were reviewed under the 2016 CACREP Standards. The Board made the following decisions:

Clinical Mental Health Counseling (M.A.E. degree)

Accredited: Cycle End Date March 31, 2030

Marriage, Couple, and Family Counseling (M.A.E. degree)

Accredited: Cycle End Date March 31, 2030

The Board based the above accreditation decisions on an extensive review of the self-study documents, the site review team's report, and the institution's response to the site review team's report.

Programs receiving accreditation without conditions deserve to be commended for the work completed throughout the accreditation process. This is indeed a worthy achievement. Congratulations! Please note that a certificate of accreditation will be sent directly to Dr. Murphy.

On behalf of the CACREP Board, I would like to extend my thanks to you and your administration for the support provided to the counseling program. Such support is considered vital to assuring continued quality in higher education programs. Once again, congratulations are extended to all of those involved in making this a successful accreditation review process.

Sincerely,

M. Sylvia Fernandez, Ph.D.
