Final comments? Please share them below:

CACREP requires a LOT of reporting; more so than the majority of other accrediting agencies. The amount of time invested in these reports might be used in other creative, innovative capacities.

RFMTNDFR: Programs/Student Outcomes must be made publicly available

following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a URL link to your completed Vital Statistics Survey report will satisfy this requirement.

Once this data has been posted, send the URL link to the location on your website via email to [cacrep@cacrep.org](mailto:cacrep@cacrep.org). If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the URL link to the outcomes report changes when you update this information, you need to send a copy of the new URL link via email to [cacrep@cacrep.org](mailto:cacrep@cacrep.org).

You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the arrow at the bottom of the page and download the PDF.
