

**BACHELOR of ARTS in BROADCASTING (#726)
TELEVISION FILM PRODUCTION CONCENTRATION**

School of Journalism & Broadcasting
Potter College of Arts & Letters
Western Kentucky University

The following four-year plan is an example of how to map your program in consultation with your advertising faculty advisor. A minor in marketing is recommended to complement the Branding Track. Every student will finish with a unique plan of his/her own depending on the minor area of study and electives selected.

Admission: Students wishing to enter the major in broadcasting initially are admitted as majors seeking admission (reference 726P). Prospective majors may take no more than 15 hours in the major before admission. Students must meet the following requirements before they can be admitted:

1. Completion of a minimum of 24 hours of course work applicable to a baccalaureate degree;
2. A minimum overall grade point average of 2.5;
3. Completion of ENG 100 with a grade of 'C' or better and nine additional hours in the General Education Program;
4. Completion of the following courses with a grade of 'C' or better: SJB 101, 102, 103, and the following course

For TV/Film Production concentration: BCOM 266. Students not meeting the above admission requirements will not be admitted to the broadcasting major and cannot register for any additional courses in the major.

CURRICULUM: The major in broadcasting (reference number 726) requires a minimum of 42 to 43 semester hours and leads to a Bachelor of Arts degree. Students must take a minimum of 72 semester hours in courses outside of the School of Journalism & Broadcasting unit, including the University's general education requirements. In addition to meeting institutional requirements for graduation, the broadcasting major must have a minor or second major outside of the School of Journalism & Broadcasting, the Department of Communication, and Film Studies that is approved by the major faculty advisor. Students may not select a minor in film studies, communication studies, or from those offered within the School, unless taken as a second minor. No course with a grade of "D" or below may be counted toward this major or used as a prerequisite. One-half of the hours in the major must be at the 300- or 400-level (21-22 hours). Only 3 hours of internship or co-op may be counted within the major. One-hour workshops may be repeated in different topics up to 4 hours. Only 3 hours of workshop credit may be counted within the 42/43-hour major.
