Student must receive a "C" or better in each PROFESSIONAL EDUCATION COURSE.

Students must register, pay, and pass Praxis II exams during this fall semester prior to student teaching. Tests are given by the ETS during November in the fall. Check the EPSB website for specific tests for your areas of certification. Students cannot be recommended for certification until all Praxis Ii exams required receive passing scores. Spring Student Teaching requires students to begin the semester when the school districts return from Winter Break – typically earlier than when the university returns after winter break.
