

BACHELOR of SCIENCE in NURSING RN to BSN (#596)
Part-time Option
 School of Nursing
 College of Health and Human Services
 Western Kentucky University

The following four-year plan is an example of how to map your program in consultation with your faculty advisor. Every student will finish with a unique plan of his/her own depending on the electives selected.
 (First Two Years would involve completion of Associate Degree with a major in Nursing at WKU or another accredited institution and completion of courses to meet KY general education requirements. These requirements must include a statistics course. You must be general education certified from your prior community college for this plan to work. If completing the Associate of Science in Nursing degree at WKU, please see your advisor regarding Colonnade requirements. Additionally, students must maintain a 2.5 or above GPA.)
