Western Kentucky University
The suggested program of study shown below should be used in consultation with your advisor(s). Every student will finish with a unique plan of his/her own depending on the electives selected.
Placement: You should begin the curriculum at the right level based on your previous knowledge. If you begin in 101, you should take bi-term classes when available. If you begin higher than 101, you may make use of the verified credit policy to get credit for what you know and accrue hours towards the total of 120 needed for graduation. Read about placement and verified credit at: www.wku.edu/modernlanguages/placement.
Study Abroad: A full semester abroad - or at a minimum 1-2 shorter term study abroad experiences - are strongly recommended. Consult with your advisor and plan ahead.
