World Language Requirement: Language Proficiency of novice-high before completing 60 credit hours is required (or completion of 2nd level of a language). Two credits (or equivalent) of a single world language in High School satisfies this WKU requirement.

*This will change in 2019 AY. The 8 hours will be divided into two summers of 4 credit hours each. The first eight hours will occur between the third and fourth year and the last eight hours to be completed after the BIOL 493 and 493 are complete.
