The suggested program of study shown below should be used in consultation with your advisor(s). Every student will finish with a unique plan of his/her own depending on the electives selected.

Note: Students should begin the curriculum at the right level based on their previous knowledge. It is recommended that students who begin in 101 take 101/102 bi-term classes immediately upon declaring the major. A semester abroad or 1-2 shorter term study abroad experiences are strongly recommended.
