

## New Facility Construction Project Environmental Compliance Checklist

Project Name: \_\_\_\_\_

Project Description: \_\_\_\_\_

Primary Contact for Project (Project Manager/Supervisor): \_\_\_\_\_

Phone number: \_\_\_\_\_ Department: \_\_\_\_\_

The purpose of this checklist is to identify potential environmental compliance requirements early in the project life cycle. It is intended for university project managers, project coordinators, and professional services contractors that perform activities on the campus. It is understood that not all projects involve every individual listed. It is important to complete this checklist early, as some environmental requirements require significant lead-time to resolve.

**Please check Yes or No in response to the following questions:**

New Facility Construction		YES	NO
1.	Will construction disturb an area $\geq 1$ acre?	<input type="checkbox"/>	<input type="checkbox"/>
2.	Will an emergency generator set be installed? Does it have an aboveground storage tank (AST)? Does the manufacturer certify that engine emissions meet the necessary NSPS/NESHAP?	<input type="checkbox"/>	<input type="checkbox"/>
3.	Will a sanitary service connection, sanitary sewer main or a potable water main be installed or extended?	<input type="checkbox"/>	<input type="checkbox"/>
4.	Will a dry well/septic system be constructed?	<input type="checkbox"/>	<input type="checkbox"/>
5.	Will a discharge to sanitary sewer include effluent from other than toilets and sanitary plumbing?	<input type="checkbox"/>	<input type="checkbox"/>
6.	Will a discharge to storm sewer include effluents other than storm water runoff (i.e. fertilizers, detergents, cleaning solvents, petroleum based products, etc.)?	<input type="checkbox"/>	<input type="checkbox"/>
7.	Will an underground storage tank (UST) be installed, abandoned or removed?	<input type="checkbox"/>	<input type="checkbox"/>
8.	Has there been an Environmental Site Assessment (ESA)? If yes, did the ESA identify contamination or other environmental concern at the project site?	<input type="checkbox"/>	<input type="checkbox"/>
9.	Will a fossil fuel burning unit such as a heat exchanger, be installed?	<input type="checkbox"/>	<input type="checkbox"/>
10.	Will a permanent generator, turbine or internal combustion engine be installed?	<input type="checkbox"/>	<input type="checkbox"/>
11.	Will an incinerator be installed?	<input type="checkbox"/>	<input type="checkbox"/>
12.	Will any liquid waste, or an item containing liquids (including oil), need to be transported off-site for reuse, recycle or disposal?	<input type="checkbox"/>	<input type="checkbox"/>
