

Independent Study of Existing Undergraduate ENG course

This form is used to document the coursework that the undergraduate student will complete independently during the specified term. Please indicate any meeting requirements or other stipulations that must be met for successful completion of the course. The instructor should provide the student with a modified copy of the course syllabus. The instructor agrees to teach this course outside of the department's normal course offerings and/or outside of their normal teaching load, and may receive course-release-time credit in lieu of additional pay.

Please return the completed form to Ms. Kimberly Nessler in CH 135 prior to the term's add/drop registration deadline. She will create a restricted section of the course linked to the professor and assist in the registration process.
