

# Streaming Video

To see what streaming videos WKU already owns (and to access already purchased videos), go to:  
<http://wku.kanopystreaming.com/>

To order a video:

1. Go to [www.kanopystreaming.com/shop](http://www.kanopystreaming.com/shop)
2. Search for the title you want.

3. Do **not** add to cart.

4. Instead, take down the necessary information:
  - a. Title
  - b. Producer/Publisher
  - c. Date
  - d. Kanopy ID
5. Fill out and submit a Streaming Video ECRC form ([http://www.wku.edu/library/dlps/e\\_info/ecrc.php](http://www.wku.edu/library/dlps/e_info/ecrc.php)). Send the form to [elisabeth.knight@wku.edu](mailto:elisabeth.knight@wku.edu) I will forward it to the Electronics Librarian.
6. Assume a video costs \$150 for one year and \$350 for 3 years.
7. You **MUST** indicate if you would like a 1 year or a 3 year license.

Note: If the Streaming Video you would like is not from Kanopy, please send me the information and I will have the Electronics Librarian contact you for more information.
