

MINOR IN LITERATURE

Through study of American, British, and World literatures from antiquity to the present, you will learn skills in close and critical reading, gain a background in literary history and culture, explore multiple approaches to texts, and develop analytical skills essential to careers in many fields.

CAREER BENEFITS

- Understand connections between identity, history, and culture
- Learn to empathize with the experiences of others
- Hone your ability to think critically and write clearly
- Develop a deep appreciation for the complexity of the
