

**AACSB Accreditation
matters. Here's Why.**

CHALLENGE

You like a challenge. But will your business school challenge you?

There's an easy way to recognize if a business school will deliver on its promise of providing the best in business education. When you see an institution display the AACSB Accreditation seal, you know it has committed to continually improving the quality of the education it offers.

Your coursework will be rigorous, dynamic, and relevant, preparing you for the challenging and changing global business environment. AACSB-accredited schools have the highest-caliber instructors and leading-edge courses and programs that connect your education to the real world.

**AACSB-accredited schools
account for more than**

90%

of ranked schools, globally.

72%

**of employers report that
MBAs add value to their
organizations.**

70%

**of employers agree that
an MBA degree offers a
versatile skill set that
allows employees to
take on additional roles.**

LEAD

LEAD

Some of the world's most notable leaders have graduated from AACSB-accredited schools, and have gone on to shape the world (and the way business) is done.

Even if you don't know what you'd like to study, or how you'd like to reorient your career, AACSB graduates are changing the business landscape – from start-ups to large corporations, across industries like healthcare, non-profit, and government.

Alumni from AACSB-accredited schools agree:

Five years after graduation, the majority were senior-level or higher in their organization.

96%

of the chief executives on the 2016 Financial Times "From MBA to CEO: Where did chief executives of companies in the FT500 go to business school?" attended an AACSB-accredited school.

What will **YOUR** contribution be?

CONNECT

CONNECT

Choosing the right business school for you is a big decision.

Whether you're an undergraduate, a business professional looking to advance in your career, or even considering a career shift to an entirely new industry, starting your search with AACSB-accredited institutions ensures you are choosing from the best in the world.

AACSB-accredited institutions meet –and continue to maintain – the highest standard in business education, ensuring a sound investment of your time and money.

Connecting with educators, students, and alumni from AACSB-accredited institutions provides a unique perspective on the value of your education, empowering you to make the right decision.

INNOVATE

INNOVATE

Business as usual? Not anymore.

Today's global business environment requires quick, collaborative, creative thinkers who can disrupt the status quo and deliver results. The call for innovation is embedded in every organization, at every level –but what does innovation look like, anyway?

AACSB-accredited institutions are innovating in surprising new ways, every day, all around the world. They are seamlessly crossing borders – working with other accredited institutions and connecting with business practice across multiple industries – to create the programs and coursework that will prepare you for success.

Graduates from AACSB-accredited schools are innovating in companies like:

The LEGO Group
Kodak Caterpillar Costco
Deloitte Paychex
Yum! AFLAC
PricewaterhouseCoopers

What will **YOUR** innovation be?

AACSB accredits the best business schools in the world.

Established in 1916, AACSB is the world's largest global business education network, connecting educational institutions and businesses to develop exceptional global leaders.

Only the best schools around the world can meet the consistent, demanding requirements of earning AACSB Accreditation – the highest standard of quality in the world.

AACSB alumni are among the world's most influential leaders, innovators, and entrepreneurs impacting business, government, and non-profit sectors.
