

WKU Libraries offers lifelong learning opportunities. Through research instruction, educational and cultural programs, electronic databases, books, internships, and special collections, WKU Libraries provides the necessary resources to advance the quest for knowledge, innovation, and creativity.

Anyone is welcome to become a Friend of WKU Libraries by donating 25 dollars or more to any of the library accounts. The Friends group assists with valuable programs and resources for the University community and beyond. Recently, dollars raised have allowed us to create a new endowment providing financial assistance to WKU students.

As a gateway to an ever expanding universe of information, WKU Libraries strives to provide more valuable, high quality information to more people. With the generosity of our supporters, WKU Libraries can expand and enhance the life of its collections and extend services and outreach for a dynamic academic community.
