UK Transfer Student Curriculum

This curriculum plan is for students from University of Kentucky who have completed the UK General Education Package. Admission to WKU as a PRE-NURSING major is required before you will be assigned an advisor. You must also apply to the actual nursing program when you are qualified to do so. *Minimum qualifications to apply to nursing. Completion of an approved general education package. Completion of at least 3 of the 4 required science classes (highlighted in yellow) and the labs associated with that class with a grade of C or above. You must have completed or be in the process of completing all other classes on this list at the time of application to the nursing program. You must have a minimum overall GPA of 2.75. You must also schedule and complete a nursing entrance exam. See* https://www.wku.edu/nursing/bsn/nursingbsn.php *for deadlines and details.*
