

WKU Shared Materials Laboratory – Fee Schedule for equipment usage

The fees listed below are per sample run. Self-service requires the completion of training on that instrument for the user involved. Students must be trained to use any equipment in the laboratory. Full-service fees are for samples run by the laboratory. External fees assume full-service. Bulk rates and other discounts may be available in some cases. Inquiries should be sent to the lab [coordinator](#).

X-ray diffractometer	Bruker D2 Phaser
Self-service (WKU researchers)	\$20
Full-service (WKU researchers)	\$50
External	\$200

Brunauer-Emmett-Teller Surface Analyzer	Micrometrics ASAP 2020
Self-service (WKU researchers)	\$20
Full-service (WKU researchers)	\$50
External	\$200

Other Equipment	Contact Coordinator for Details
UV-visible spectrometer	materials.lab@wku.edu
Four-arm glovebox	
Photocurrent equipment
