2017 FALL WEB COURSE OPTIONS

WKU COLONNADE PROGRAM: WAYS OF KNOWING & UNDERSTANDING

The WKU Colonnade Program is a new general education program designed for students entering Fall 2014 and after. Students entering prior to Fall 2014 may choose between the former general education curriculum and Colonnade Program.

The 39 credit hour WKU Colonnade Program seeks to embody the following goals and learning outcomes:

1. Knowledge of human cultures and the physical and natural world, including
    a. An informed acquaintance with major achievements in the arts and the humanities;
    b. An appreciation of the complexity and variety of the world's cultures;
    c. An understanding of the scientific method and a knowledge of natural science and its relevance in our lives;
    d. A historical perspective and an understanding of connections between past and present.

2. Intellectual and practical skills, including
    a. The capacity for critical and logical thinking;
    b. Proficiency in reading, writing, and speaking;
    c. The ability to understand and apply mathematical skills and concepts.

3. Personal and social responsibility, including
    a. An understanding of society and human behavior;
    b. An understanding of factors that enhance health, well-being, and quality of life.

4. Integrative Learning, including
    Synthesis and advanced accomplishments across general and specialized studies.

All coursework is categorized as General Education coursework and consists of courses in 3 categories. Courses with an approved equivalency, including those with a "C" suffix, will fulfill the appropriate requirement.

This course list does not include all approved Colonnade courses, but instead identifies 2016 Summer Sessions courses that are available online and fulfill Colonnade requirements. Options include:

- Campus location "web" refers to courses that are term based online classes that have specific start and end dates.
- Campus location "on demand" refers to courses that you can start any day of the year and finish in as little as 7 weeks. Course delivery formats include online, print, and email.

For a complete list of approved courses, visit: **www.wku.edu/colonnade**.

COLONNADE PROGRAM: WEB OPTIONS AT A GLANCE FOR FALL 2017

Students should refer to the official schedule of classes for the most updated options, which is available at topnet.wku.edu.

Psychological Sciences (PSYS) 423G: PSY Adult/Aging	✔	
Sociology (SOCL) 342: Aging in Society		✔
School of Professional Studies (SPS) 300: Systems Thinking	✔	

WORLD LANGUAGE PROFICIENCY

In addition to meeting Colonnade requirements as outlined above, all students must demonstrate proficiency in a world language at the Novice High level before completing 60 credit hours. Novice High is the ability to communicate in writing and speaking on familiar topics in simple sentences. To meet this requirement, students can choose to begin study of a new language, continue study, or demonstrate proficiency through testing. Qualifying ESL students may receive a waiver. Please refer to the full policy at **www.wku.edu/colonnade/worldlanguageproficiency.php**

BEGIN STUDY OF A NEW LANGUAGE

WKU offers over a dozen different languages! Start with the first semester and complete at least the second level (see below for Summer and Fall 2016 distance options to fulfill this requirement). Students must complete this requirement before earning 60 credit hours with a grade of C or better. The second level is typically a 102 course number. NOTE: Students who began before 2004 are required to fulfill the first level of language, typically a 101 course number.

CONTINUE A LANGUAGE

If you want to continue a language studied in high school, you may meet this requirement by completing the 102 level of the language or any higher level course taught in the language with a grade of C or better. If you have not studied a language for several years and do not feel comfortable at the 102 level, then 101 is available; however, 102 or above is required before completing 60 credit hours for Colonnade students.

TEST OUT

WKU offers the following exams that fulfill the WKU world language requirement:
• Avant STAMP for Arabic, Chinese, French, German, Hebrew, Italian, Japanese, and Spanish.

• BYU-Flats for Bosnian/Croatian/Serbian, Greek, Russian, and other languages as noted on the Testing website.

• College Level Program of the College Board (CLEP exam) exams for French, German, and Spanish.

• Department Exams Available: (a) American Sign Language (Department of Communication Sciences and Disorders); (b) Latin (Department of Philosophy and Religion); (c) Pali (Department of Philosophy and Religion)
