

## Staffing Policy

### 1. General Policies (relates to both programs)

1.1 Courses will be prioritized for staffing purposes. Qualified full-time instructors and faculty assigned to MPH-BSPH programs will first be staffed in required MPH core courses, then required BSPH core courses, then by Connections courses, and then by MPH and BSPH electives.

- a. When possible, faculty preference will be honored when staffing.

Rationale: Core courses align with accreditation requirements; teaching FTE is calculated from required courses/those primarily serving program. Connections have assessment requirement for Evidence and Argument.

Passed: October 2019
