fix it

WKU

Fixing items is one of the most affordable ways to live a sustainable life.

Reuse, repair or donate in order to reduce unnecessary waste.

FIXING BROKEN ITEMS...

Conserves virgin
resources

Reduces the energy
consumed through
producing new items

Saves money

Reduces unnecessary
landfill waste.

Quick Fixes:

Keep safety pins on hand for quick clothing alterations

Use a bread clip to secure flip-flops

Use paper clips to easily fix jewelry

Fix hazy headlights with toothpaste

Conceal furniture scratches by rubbing a walnut over them
