

WKU Waste 101

How to use the Trash Compactor and Recycling Dumpster

Recycling

- Grab a **Green Bag** from the front desk
- Fill with any recyclable waste - no need to sort!
- Once filled, place the green bag in the nearest dark green dumpster.

* No black bags in this bin! - all recyclables in a black bag will be landfilled.

50% of campus waste IS recyclable!

Plastic, Paper, Cardboard, Campus Cups, Aluminum Cans, Tin Soup Cans, Glass, and much more!

Don't Forget your Key!

Styrofoam, Food Waste, Small Plastics, Napkins/Paper Towels, Blended Materials

Landfill

- Grab a black bag from the front desk.
- Fill bag with non-recyclable waste.
- Once full, take the bag to the nearest trash compactor. Insert trash and close the compactor door.
- Push button to compact trash.
