**Explanation for Salary Increases Greater Than \$5,000**

LaTravis D Taylor  
Numerous additional duties undertaken following further departmental restructuring by the new head football coach. There is no net increase in total salaries for football.

David Ensminger  
This salary increase is a market-based adjustment that has been determined necessary since the position status is such that no fringe benefits are offered to the employee.

Information Technology Services (ITS) provides integral support for every aspect of WKU. In recent years, turnover in skilled ITS positions has increased, and skilled-position vacancies have been slow or difficult to fill with experienced candidates. This trend was exacerbated by a recent reorganization and staff reduction that saw fiscal year 2019 begin with 90 budgeted positions (14 percent less than FY 2018). To stabilize the ITS operation and prevent ongoing, negative consequences to the University, immediate action was required. Accordingly, a market study was completed in the fall using higher-ed specific CUPA and ERI data, and the results were verified using salary data from national job sites like Indeed, GlassDoor and Robert Half (IT specific). The study showed that WKU compensation has not been keeping pace with benchmarks or peers in the highly competitive Information Technology market and even more so in the broader landscape (beyond higher ed). To move WKU ITS salaries closer to market and to address retention, personnel actions were completed for 37 positions. Collectively, these positions averaged 77.5% of educational market pay levels, and the actions adjusted the majority of those positions to 85% of the educational market. The adjustments were funded in fiscal year 2019 with one-time funds, and they will be funded permanently by a planned retirement (one position) and reallocation of the budget in fiscal year 2020, entirely within the means of the ITS budget. This isn't sufficient to fully address the educational market gap or the more significant overall market gap, but no additional adjustments will be made until the university-wide market salary analysis is completed through the Department of Human Resources.

**2018-19 THIRD QUARTER STATEMENT OF REVENUE & EXPENDITURES**

---

**REQUEST:**

Accept for filing the 2018-19 Third Quarter Statement of Revenue & Expenditures.

**FACTS:**

Total realized Educational and General (E&G) revenue was approximately 90 percent of budgeted E&G revenue (excluding net assets allocation), and was approximately 1 percent lower than third quarter revenue of 2017-18. State appropriations are distributed on a quarterly basis, but the distribution for each quarter does not represent 25 percent of the total due to the state's variable allocation schedule. Other revenue includes revenue generated by individual programs such as Athletics, University Farm, and various other revenue dependent programs. These revenues are slightly higher than the same period last year. It is noted that several programs have significant activity in spring and summer.

Restricted revenue and expenditures for grants and contracts were slightly lower than the third quarter of 2017-18. Revenues for Auxiliary Enterprises were approximately 1 percent lower while expenditures were approximately 4 percent higher than third quarter revenues and expenditures of 2017-18. However, auxiliary operations are self-supporting and will manage expenses within actual revenue by the end of the fiscal year. Revenues were impacted by decreased enrollment relating to student fees and sales of services. Housing's reimbursement rates to WKU increased revenues while there were timing differences related to contracted dining services revenue that impacted the comparison to prior fiscal year. The WKU Store also continued its student affordability efforts as it continued to shift its business model toward direct publisher agreements and online course materials which decreases the WKU's top line sales but result in student savings.

**BUDGETARY IMPLICATIONS:**

Fall and spring tuition revenue that accrues centrally is short of the budget estimate by approximately 2 percent or \$3.1 million. Carry forward funds and central contingency funds will allow the University to cover the shortfall without any additional reductions to the campus this year. Tuition and fees revenue recognized as revenue of the Division of Extending Learning and Outreach (DELO) are 1.5% or \$211,000 over the budget estimate. Half of the surplus is due to dual credit enrollment.

**RECOMMENDATION:**

President Timothy C. Caboni recommends that the Board of Regents accept for filing the 2018-19 Third Quarter Statement of Revenue and Expenditures.

**MOTION:**

**Accept for filing the 2018-19 Third Quarter Statement of Revenue and Expenditures.**

**PARKING AND TRANSPORTATION RESERVE ALLOCATION**

---

**REQUEST:**

Approve allocation of \$275,000 from Parking and Transportation Reserve Fund for refurbishing two WKU busses.

**FACTS:**

The WKU Parking and Transportation Department operates a fleet of shuttles to provide service to campus. During 2018-2019, Shuttle Services drove 155,000 miles providing 700,000 rides. Routes presently serve Main and South Campus, satellite parking lots, area apartment complexes, and convenient off-campus shopping for on-campus residents. Shuttle operations help decrease Main Campus parking demand.

The Department has evaluated the cost of the purchase of new shuttles versus the refurbishment of two buses currently in our fleet. The estimated cost of a new replacement bus is approximately \$400,000 while the cost to refurbish a bus is approximately a quarter of the cost and will extend the useful life of the bus another 10 years. The refurbishment will be for WKU Shuttle Bus #2 and #3.

**BUDGETARY IMPLICATIONS:**

Parking and Transportation's Reserve Fund was created to accumulate funds to address capital replacements and upgrades on a periodic basis. These funds are held in the University's Unrestricted Net Assets until allocations are requested and approved by the Board of Regents. The current Parking and Transportation Reserve balance totals \$925,705.

**RECOMMENDATION:**

President Timothy C. Caboni recommends the Board of Regents approve the \$275,000 allocation from the Parking and Transportation Reserve.

**MOTION:**

**Approve the \$275,000 allocation from the Parking and Transportation Reserve.**

**RECOMMENDATION:**

President Timothy C. Caboni recommends approval of the 2019-20 Audit Work Plan.

**MOTION:**
