**PERSONNEL ACTIONS**

---

**REQUEST:**

Approval of faculty and staff personnel actions which have been approved through administrative channels and executed through the human resources information system during the period 03/21/2022 – 06/30/2022 and one-time compensation payments executed through the payroll system cover the period 04/01/2022 – 06/30/2022.

**FACTS:**

This request includes a variety of customary actions pertaining to people and positions, except for those actions specifically delegated to the President. Actions are identified by “type” and “funding source” and those transactions associated with a change in salary are sorted largest to smallest in terms of dollar change. Stipend payments are included under a separate tab of the personnel actions report. One-time compensation payments associated with extra duties/special assignments are included as a separate report.

**BUDGETARY IMPLICATIONS:**

Funding is provided as indicated for each transaction.

**RECOMMENDATION:**

President Timothy C. Caboni recommends approval of all faculty and staff personnel actions.

**MOTION:**

Approve faculty and staff personnel actions.
