**Current: XII.B. Salary and Paychecks:** Faculty members are typically employed on a nine-month basis and receive salary for that term of employment in twelve installments payable on the last business day of each month. The academic year runs from August 16 to May 15 with payments made July 1 to June 30. Paychecks are directly deposited per faculty authorization. New faculty members employed by August 15 receive their first paycheck at the end of August and receive 2/12 of their annual salary at that time. Salary and paycheck information may be obtained of the employee services page of TopNet.

Salary and Paychecks:** Faculty members are typically employed on a nine-month basis and receive salary for that term of employment in twelve installments payable on the last business day of each month. 3. Rationale for amendment:

We found at least three different references to academic year start and stop dates that were inconsistent. The practice of most academic units has been to have an official start date of August 15 and this change will make the faculty handbook consistent with faculty appointment letters. If approved, minor edits to WKU Policy 1.2092/2.2092 and 1.5121 will need to be made for further consistency.
