Current: **III. B. Criteria for Individual Ranks (Non-Tenure Eligible): (B.1.a.ii, B.1.b.ii, B.2.a.ii, B.2.b.ii, B.3.a.ii, B.3.b.ii)**

III.B. Criteria for Individual Ranks (Non-tenure-eligible):

Clinical Faculty Member: a continuing, non-tenure-eligible faculty member whose primary responsibilities include teaching and supervision of students in a practice setting; scholarship undertaken is generally assumed to be oriented toward scholarship of application. For more information, please see academic policy No. 1.198V.

a. Clinical Professor:

- i. Academic Qualifications: terminal degree in the profession;
- ii. Experience: a minimum of five years at the rank of Clinical Associate Professor;

b. Clinical Associate Professor:

- i. Academic Qualifications: earned Master of Arts or Master of Science degree in the profession;
- ii. Experience: a minimum of five years at the rank of Clinical Assistant Professor (may be waived for persons holding additional qualifications)

c. Clinical Assistant Professor:

- i. Academic Qualifications: earned Master of Arts or Master of Science degree when this does not represent the terminal degree.

Research Faculty Member: a continuing, non-tenure-eligible faculty position that is externally funded and self-supporting. A research faculty member is engaged primarily in research, creative activity

and/or outreach. Research faculty should be engaged in a program of research, creative activity or outreach that complements that of the department.

Research faculty are expected to bring a high level of conceptual and theoretical ideas to the tasks at hand and have innovative skill sets that enhance the intellectual development of their colleagues.

- a. Research Professor:
 - i. Academic Qualification: earned doctorate, or other terminal degree or the equivalent;
 - ii. Experience: Typically, a minimum of ten years research experience in an appropriate discipline at a university, industrial or government laboratory, or other appropriate setting.
 - iii. Sustained excellence in scholarship that has made a substantive impact in the discipline, resulted in national or international recognition, and produced a sustained history of extramural funding.
- b. Associate Research Professor:
 - i. Academic Qualifications: earned doctorate, or other terminal degree or the equivalent;
 - ii. Experience: Typically, a minimum of five years of research experience at a university, industrial or government laboratory, or other appropriate setting;

~~***NOTE: In accordance with Section III.G. of the Faculty Handbook, promotion materials may be submitted in the academic year prior to completing the requisite years of service. Requisite years of service must be completed prior to the promotion becoming effective.~~

Rationale for amendment:

The time period in service at rank before application for promotion needed to be clarified across all faculty appointment types. (*Tenure eligible will be addressed in a separate document.)

[Please refer to the Faculty Handbook Section III. A for clarification to the exception to the normal timeline for application for promotion and tenure.](#)
