Triennial Activity Reports

Discussed with Rob Hale surveyed faculty's preference for Triennial Activity Reports vs.
Annual Activity Reports for tenured faculty.

Rob meets with Deans/Department Heads this coming Wednesday (9/29) and will bring to them
the results of the faculty survey indicating preference for triennial review of tenured faculty.

Vaccine Mandate for Faculty

Discussed a vaccine mandate for faculty. Agreed to create and distribute a simple Qualtrics
survey—one question with three answer options (Dan will create).
