

## **Senate Report**

### **Budget Executive Committee (BEC)**

Meeting Date: Wednesday, November 10, 2021; 8:00 AM – 9:10 AM

Senate Representative: Kirk Atkinson

The first meeting of the academic year was held. Due to the nature of topics discussed, it was decided that public reports can now be delivered at an abstract level.

The meeting started with introductions.

A formal charge for this committee will be developed.

The level of reporting outside of this committee will be the precedent for the OAC and CAC Committees, respectively.

An overview with slideshow explaining the RAMP model and approach was provided.

DELO is now considered a support unit.

The general timeline for RAMP execution is being completed and soon to be published.

A schedule of meetings will be determined and locked in to assist people in placing events on calendars.

Meeting adjourned at approximately 9:08 AM.
