Old Business

Molly Kerby gave a brief explanation of a meeting between Senate, UCC, & Colonnade and how no one seems to communicate. Just need a clean process outlined.

Hammonds – Equivalent course problem. Same course but the prefix changes. Showed examples to the group within course leaf.

Hammonds – Discussion of when can the colonnade committee see the courses in course leaf. Kerby maybe leave on the agenda for an information item to do some checks/balances. Hudepohl, there used to be a flowchart that helped people understand where things go and when. Hammonds showed the workflow in course leaf and how it works.

The committee took a look at the EDU class that just hit today but it will be sent back to the proponent and explain the pause for colonnade. We only talked about this course, we didn't vote on anything. It will come back up at our next meeting since it was submitted too late for this meeting.

Next Meeting April 5, 2022

Adjourn – 4:30 pm 1st/2nd: Dietle/Hudepohl

Respectfully Submitted,
