2. Proposals should be made in the form of text intended as an addition to or a replacement of, in whole or in part, some current section of the Faculty Handbook.

Current:

II.P. Academic Advising: Advisors are assigned to new students after completing the Topper Orientation Program (TOP). Advisors within the Advising and Career Development Center (ACDC) or select academic departments assist students who have chosen a major field of study.

Advisors assist students in selecting courses each semester to fulfill general education requirements, pre-major requirements, and major and minor requirements for graduation. Advisors may also provide career counseling and information relating to professional/graduate school. Advising appointments may be scheduled online through TopNet or another advisor-authorized method.

Students are expected to work with an advisor in conducting an iCAP audit to review progress toward a selected degree. The audit shows all the requirements needed to fulfill a major, minor, or concentration and displays the transfer and WKU courses that have been used to satisfy those requirements. iCAP audits do not apply to students who entered WKU prior to the fall of 2005, students using coursework taken prior to 1990, and/or students who have a degree program already on file. Information and instructions regarding iCAP can be found at: <https://www.wku.edu/registrar/icap>.

Students desiring to change majors and/or change advisors should complete a Change of Major/Advisor Form on TopNet located under the "Student Services/Student Records" menu. This form may require the signature of the advisor and department head.
