## Programs

Grubbs asked Autin: Since minimum grades are required for prerequisites, would proposals to reflect that be expedited? Hammonds said that the online system was programmed to use a minimum score of D when a different minimum grade was not specified. Autin said that you only need to worry about it going forward if you're making other changes to a course.

## Subcommittees:

### Steering Committee Report

Is anyone willing to chair this group? By-laws are good, but the guidelines need to be updated. Paganelli & Flener are willing to be on it, but they don't want to chair. Autin will send out an email later.

**Academic Policy Report**

Flener is the chair, and she is waiting on wording from the registrar.

**Announcements**

None

**Adjourn @ 4:22pm – Motion 1<sup>st</sup>/2<sup>nd</sup>:** Paganelli/Flener

Respectfully Submitted
