Resolution 2-22-F. Resolution to Support the Implementation of Wait Times Signs Outside of University

Restaurants

**PURPOSE:** For the Student Government Association of Western Kentucky University to support the implementation of signs that designate waiting times outside of areas that serve food on campus.

**WHEREAS:** There are many restaurants on campus that serve high volumes of students, and

**WHEREAS:** Some lines, like those at The Commons at Helm Library, can take anywhere from 30 minutes up to an hour of waiting which can force students to choose either eating a meal or miss class, and

**WHEREAS:** Research over the years has shown that communicating wait times to individuals can successfully reduce wait times, and

**WHEREAS:** Communicating wait times to students could similarly cut down on wait times.

**THEREFORE:** Be it resolved that the Student Government Association of Western Kentucky University supports the implementation of designated wait time signs outside of restaurants that are significantly impacted with high customer volumes.
