Aaron Wichman moved approval of the following **proposal to revise a program from the Department of Geography and Geology:**

Program Title: Minor in Environmental Studies
Reference Number: 363
Required Hours: 25.0 hrs.
Identification:

- Reflect changes in the credit hours of GEOG 280 and delete the equivalency.
- Reflect change in number and title of GEOG 100 to GEOG/L 103.
- Delete GEOG 121 as an option under Core C.
- Delete unnecessary verbiage in program description.
- Change the program hours to 23.
- Change recommended electives to differentiate this physically focused minor program from the Minor in Sustainability that addresses more human oriented issues.

Effective Catalog Year: Fall 2015

Scott Stroot seconded the motion. The motion carried.

Effective Catalog Year: Fall 2015

Aaron Wichman seconded the motion. The motion carried.

Aaron Wichman moved approval of the following **proposal to revise a program from the Department of Geography and Geology:**

Program Title: Minor in Sustainability
Reference Number: 475
Required Hours: 21.0 hrs.
Identification:

- The title for the minor is proposed to change from Minor in Sustainability to Minor in Environment and Sustainability.
- The required credit hours for the minor program increase to 22 hours.
- Other proposed changes are outlined below, and entail the deletion of elective course offerings and addition of others. The Foundation Courses for the minor are also proposed to change by moving GEOG 489 or GEOG 495 from a foundation requirement to an elective option.
- The program is also streamlined in that students will no longer need to take elective courses grouped in clusters, and can instead select any combination of the elective offerings. Courses added to the electives listing are shown in bold in the second column. Many of these courses are new additions to the course offerings in Geography/Geology or existing courses which have changed in recent years to have a more environment and sustainability focus.

Effective Catalog Year: Fall 2015

See revised proposal for revisions.

Scott Stroot seconded the motion. The motion carried.

Scott Stroot moved approval of the following **proposal to revise a program from the Department of Geography and Geology:**

Program Title: Minor in Water Resources
Reference Number: 491
Required Hours: 22.0 hrs.
Identification:

- Proposed changes to the Minor in Water Resources include moving GEOG 121 and GEOG 474 from required courses to electives, deleting course which no longer are applicable to the minor, and adding other electives that closely fit the focus of the minor.
- GEOG 103 or GEOL 111 may now both be counted as part of the required courses since GEOG 103 has been added as a course offering in the department and is an acceptable substitute for GEOG 111 with respect to the water resources minor.
- Reduce credit hours required in the Minor from 22 to a minimum of 21hours.

Effective Catalog Year: Fall 2015

Aaron Wichman seconded the motion. The motion carried.
