Approval of October 23, 2018 Minutes – 1st/2nd Mienaltowski/Autin

Mienaltowski requested an amendment be made - **Discussion:** PSYS program developed using APA guidelines for undergraduate majors, but now wishes to be called Psychology instead of Psychological Science. It was pointed out that when PSYS BS program was created, UCC changed the name of the original program from “Psychology” to “Psychological Science.” Confusion faced by students selecting between Psychology BA and Psychological Science BS discussed. Efforts between PSY and PSYS to facilitate student choice through advising and a shared landing page discussed. Talked in length about the timeline with all curriculum committees and people involved. Motion to table and to not bring back to UCC until CAPE is over. Motion dead when proposal to change name of program withdrawn by Dr. Madole. The four related proposals (PSYS 290, PSYS 360, PSYS 490, and PSYS 362) were withdrawn by Dr. Mienaltowski.

Announcements

Senate is updating their Charter. Mienaltowski wants to add the Honors development board to the list so they have voting members on UCC. Followed by lots of discussion. Janet will ask Kirk Atkinson (Senate Chair).

Discussion was had regarding whether or not to make the Honors Board an additional group to have representation on the UCC. Chair Applin will discuss this with Senate Chair, Kirk Atkinson, to determine if this is consistent with Senate Charter and report back to the UCC during the December meeting."
